

PROOF OF ATTENDANCE

ABC EMS Agency

Additional Required CE credits: EMT-S bridge course

4-20-12, 8:00 a.m.-3:00 p.m., ABC EMS Agency

Name _____

Category	Topic	MFR		EMT		EMT-S		Paramedic		IC	
		L	P	L	P	L	P	L	P	L	P
Preparatory	EMT-S Bridge Course					20.5	9				
Airway/Vent	EMT-S Bridge Course					2	2				
Medical	EMT-S Bridge Course					9.5	6				
Trauma	EMT-S Bridge Course					.5					
Spec. Consid.	EMT-S Bridge Course					1.5	1				
Total						34	18				

An EMT-S who completes a 52 hour bridge course has earned all of the credits needed for relicensure, with the exception of the following 6.5 credits:

	<u>Lecture</u>	<u>Practical</u>
Patient Assessment		2
Trauma		1.5
Special Considerations (pediatrics)	1	
Operations	2	

A bridge course completion certificate issued by the education program will serve as proof of having earned these credits.

An education program who wishes to increase their bridge course hours to include the additional credits listed on the chit sheet above is required to submit a 202 form, along with the accompanying documents, to the Department for approval. Once approved, a chit sheet may be issued for these credits.
